Elmas system d.o.o. je distributer opreme za prevenciju rizika od strujnog udara i opreme za ličnu zaštitu. Svojim klijentima nudi najbolja rešenja i izbor najboljih svetskih brendova.

Da bi ostvario ključne poslovne i profesionalne ciljeve - zaštitu pojedinca od električnog rizika, obezbeđenje proizvoda maksimalne sigurnosti i smanjivanje rizika na radnom mestu na najmanju moguću meru - Elmas se, u kontekstu rastuće globalne tehnološke mreže, fokusirao na podizanje nivoa svesti o važnosti primene ličnih i kolektivnih zaštitnih sredstava kod svih učesnika u procesu proizvodnje.

Kako bi smo klijentima pomogli da vrše remonte postrojenja i nadzemnih vodova na bezbedan i ekspeditivan način, kompanija svoju misiju ostvaruje pružanjem efikasnih rešenja uz imperativno unošenje inovacija. Bezbednost na radu je neophodan uslov za bilo koju vrstu posla. Tehnički, organizacioni i lični uslovi smatraju se garancijom bezbednosti na radu. Zbog toga je sigurnosna obuća postala značajan aspekt za preduzeća i privatna lica. Elmas je u svoju ponudu uvrstio i obuću globalnih lidera poznatu po visokom stepenu zaštite, performansama i udobnosti.
