Posvećeni smo pružanju najbolje usluge, dok obezbeđujemo vaš Svet.

G4S is the world's leading international security solutions group.

From risk assessment to delivery, we work in partnership with governments, small businesses and large organizations to provide integrated solutions to security challenges. Our heritage goes back over a century and with more than 620,000 employees, we are the second largest private employer in the world. In Serbia we use our global experience to provide our clients with the best security solutions.

G4S Secure Solutions Serbia is a leading national security provider. Utilizing the know-how of the parent company in combination with the business philosophy, G4S Secure Solution Serbia established itself on the Serbian security service market as a trustworthy partner that supplies excellent quality security services. Our customers are banks and companies, industry as well as retail, public institutions or private households. Our customers entrust their personal or their assets' security to us.

We therefore commit ourselves to provide the best possible security, while we are securing your world.
