Preduzeće „Gasalarm“ a.d. Beograd,

jedini je proizvođač opreme za detekciju gasa u Srbiji. Postoji od 1991.g., gradi imidz na kvalitetu a kvanitet je neminovno dolazio sa 22 godine postojanja u oblasti zaštite ljudi i objekata.

Statistički za 22 godine rada ni jedan objekat korisnika sa ugrađenom našom opremom nije imao havariju (eksplozija, požar) uz redovno održavanje našeg stručno servisnog tima

Gasalarm Company Inc., Belgrade

is the only gas detection equipment manufacturer in Serbia. It has existed since 1991, creating its image by quality and the quantity came inevitably with the 22 years of existence with the people and facilities protection.

Statistically, in the 22 years of operation, there wasn't any user's facility with our equipment having a disaster (explosion, fire) with regular maintenance by our skilled service team.
