Preduzeće "Gora" d.o.o osnovano je pre 10 godina. Osnovna delatnost "Gore" je prodaja profesionalne opreme za boravak u prirodi kao i usko specijalizovane tehnicke opreme iz oblasti alpinizma, speleologije, visinskih radova i vanrednih situacija.

Zahvaljujuci visoko strucno zaposlenom kadru u cijem sastavu je veliki broj bivskih i aktivnih pripadnika GSS-a, "Gora" je poznata po ekukativnom i savetodavnom pristupu prema svim potrosacima.

Svoju reputaciju za ovo relativno kratko vreme "Gora" je izgradila bas zahvaljujuci svojim dobrim imidzom i kvalitetnoj i referntnoj opremi renomiranih proizvidzaca kao sto su:

Climbing Technology - <http://www.climbingtechnology.it/it-IT/home-it.html>

Ferrino - <http://www.ferrino.it/en/>

Tech Rock - <http://techrock.es/>

Rock Empire - <http://www.rockempire.cz/en/news-perfect-harware/>

Gora Ltd. company was founded 10 years ago. Its basic activity is sales of professional outdoor equipment, as well as specific technical equipment within alpinism, speleology, high works and emergency.

Owing to its very skilled staff, including many former and active members of the Mountain Rescue Service, Gora is famous for its educational and consulting approach to all customers.

Gora created its reputation in this fairly short time just owing to its good image and high quality reference equipment of renowned manufacturers, such as:
