Preduzeće se bavi proizvodnjom protivpožarnih aparata koji su sertifikovani po EN3-10 u MPA Dresden, Nemačka.

Proizvodni program čini i kompletan program hidrantskih ormara i opreme kao i znakovi bezbednosti (PVC nalepnice i table).

Uvoznici smo i distributeri protivpožarnog praha i penila proizvođača Rühl, Nemačka i vatrogasnih creva proizvođača Eschbach, Nemačka.

The company manufactures fire extinguishers certified in accordance with EN3-10 at MPA Dresden, Germany.

The product range includes also the complete range of hydrant cabinets and equipment, as well as the safety signs (PVC stickers and boards).

We are an importer and distributor of fire protection powder and foam, manufactured by Rühl, Germany and fire extinguisher hoses manufactured by Eschbach, Germany.
