VATRO-PALADIUM D.O.O. se na tržištu pojavio 2006. godine ali sa stručnim timom i iskustvom koje se u njihovom poslovanju vidi i oseti u svakom segmentu.

Preduzeće je specijalizovano za prodaju protivpožarnih aparata i vatrogasne opreme, hidrantske opreme (standardni hidrantski pribor, sanduci za pesak, lopate, ormari za prvu pomoć, hidrantski ormari), spasilačke i zaštitne opreme, tabli upozorenja i zabrana, sprinkler sistema, te IFEKS i CAFS sistema za gašenje požara. U Sradnji sa firmom Vizija Varnosti specijalizovali smo se za prodaju SIMULATORA za obuku profesionalnih vatrogasaca, kao i simulatora za obuku pri nastavnim centrima. Simulatori su renomiranog svetskog proizvođača firme HAAGEN – Holandija.

Asortiman svojih usluga i proizvoda proširili su i uspešnom saradnjom i zastupanjima na tržištu Srbije i regiona poznatih brendova u ovoj oblasti kao što su POK-Francuska, HAAGEN-Holandija, Profoam, Waterouse, i dr.

VATRO-PALADIUM Ltd. Appeared at the marked in 2006, but with a skilled team and experience visible and felt in every section.

The company is specialized in the sales of fire extinguishers and firefighting equipment, hydrant equipment (standard hydrant accessories, sand boxes, shovels, first aid cabinets, hydrant cases), rescue and protection equipment, warning and prohibition boards, sprinkler systems and IFEX and CAFS firefighting systems. Under cooperation with Vizija Varnosti Company, we specialized in the sales of SIMULATORS for professional firemen training as well as training simulators at training centers. The simulators are manufactured by the renowned worldwide manufacturer HAAGEN – Holland.

POK POKADOR
